High Performance

Our high performance coaching focusses on training quality, racing strategy and 'perfection' in stroke technique. Training is daily and is divided into 4 squads ; entry, bronze, silver and gold. Fees start at P1,110pm (additional fees apply for galas).

Adults

Our Adult program is designed for adults who would like to overcome fear of water, refine their strokes or even participate in triathlons. Classes are held in the mornings, evenings, and weekends. Fees start at P955pm.

Pre School

This is a foundation program where children learn through fun to gain confidence in the water. Lessons are conducted during the week while children are at school. Transport is provided for 15 participating pre-schools. Fees are determined at each partnering school.
